

Welcome to Asquith After School Care

2023

This story is going to show you what a typical day at Asquith OOSH looks like!

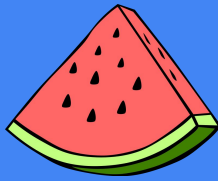

When the bell rings, your teacher will walk you down to the centre and you will put your bag on a hook.

You will then sit in your year group line and we will sign you in so we know you arrived safely to the centre!

You will then wash your hands and sit at a table with your friends, before having some afternoon tea.

Each afternoon tea you are given fruit!

- Oranges
- Apples
- Carrots
- Rockmelon,
- Watermelon...

As well as something special!

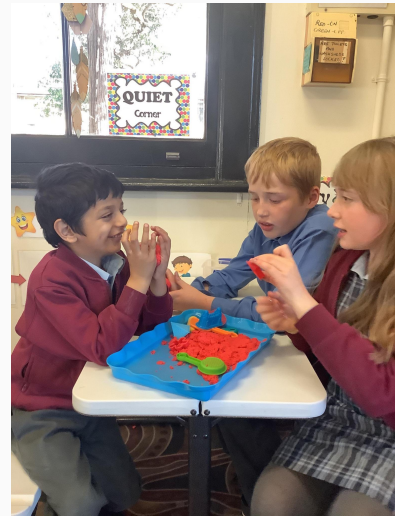

- Crackers
- Pancakes
- Potato gems,
- Wraps
- Scones.....

Once afternoon tea is finished we do our Acknowledgment of Country and listen to the daily announcements. You have the choice of this or going straight to the backroom for some quiet play!

Then you are free to play with our equipment and toys or participate in our special activities. We use the centre everyday and rotate between the oval and equipment area.

Before School Care is very similar. We will have toys and games out for you to play with and then we will walk you up to your classrooms at 8:45am

Now let's introduce you to some of our educators!

If you need any help you can always ask one of our friendly educators.

Assistant Coordinator
Georgia J

Inclusion Support Officer
Heidi

Coordinator
Lee-Ann

First-Aid Officer
Georgia M

Educational Leader
Izzy

And these are the rest of our wonderful educators! 😊

Jack

Chloe

Zac

Claire

Tom

Za

Liam

Brienna

Sarah

We are so excited to welcome you to After School Care!

If you have any enquiries please direct them to Lee-Ann or Georgia
