## Excursion Information

All excursions will begin and end at the centre. We aim to leave the centre between 8.45am and 9am please ensure your child is at the centre by 8.30am for a briefing session on these days. Should your child not be present by 8.45am, you will receive a phone call, failure to respond may lead to your child missing out on the excursion for the day (a sign will be posted on the gate advising the bus has left).

We aim to return between 2.30pm and 3:30pm. Should you wish your child returned prior to 3.30pm or pick-up child from excursion, please let staff know and we will attempt to satisfy this request. Buses used for excursions are driven by a hired bus driver from the supplying bus company.

## Excursion Information continued...

Children are updated on the rules of travel and behavioural code expected on excursions prior to leaving the centre. Children will be wearing reflective traffic vests throughout the entirety of the excursion. We do walk the children the short distance to & from some excursions, and this is supervised by our staff who are also wearing reflective traffic vests. Children are briefed on road rules & safety rules and appropriate behaviour whilst in high traffic environments.

However, every effort is made to avoid busy areas and a full risk assessment is completed for each excursion. St. Johns First Aid recommended first aid kits and asthma kits are taken to all excursions and at least two members of staff hold a senior first aid certificate. Any medication that has been signed in by a parent will be included in our first aid kit.

**IMPORTANT:** In the case of extreme weather conditions, Vacation Care activities may be subject to cancellations or changes. It is up to the coordinator's discretion to cancel or change any Vacation Care days at any time. Fees will be charged at the same price.

## What to Bring:

- **Clothing:** (to get messy/dirty) – jumpers that are clearly marked. Children must wear sun-safe clothing at all times (no singlets, spaghetti straps etc.)
- **Hats:** It is very important that your children are sun protected. Please make sure your child brings a hat every day that is clearly marked with their name.
- **Sunscreen:** should be applied to your child every day before dropping them to Vacation Care. Sunscreen may be reapplied during the day by staff as deemed necessary, please indicate if you do not wish this to occur.
- **Shoes:** closed-in shoes/joggers **MUST** be worn at all times. Most outdoor activities require closed-in shoes/socks. As we do lots of walking, we recommend wearing sports shoes on these days.
- **Backpacks:** Backpacks are highly recommended to carry child's lunch and water bottle on the day.
- **Food & Water:** Children are to bring enough food for the entire day and bring their own drink bottle. Please ensure lunches will not spoil in the warmer days (include an ice pack for example). We do provide meals unless specified in our program, which may include a cooking activity or provided lunch.
- **Valuables/Money:** Children will **not** be allowed to make purchases at any excursion facility unless specified in the program.

*Our staff takes excursions very seriously and we have strict guidelines in place. Senior staff members are more than happy to talk you through our excursion procedures at any time.*

## **Pick-Up / Drop-Off**

Parents/guardians are responsible for signing their child in when dropping the child off and signing them out when collecting them from ACASCC. The kiosk is a legal document and as such should only be used by the person authorised to collect.

The kiosk records the name of the contact person linked to the contact phone number being used on the kiosk as the person who legally signed the child in/out of the Centre. Families should ensure they provide a unique contact phone number for each authorised person on their account.

Initial use of the kiosk please use pin 0000, you will be asked to set a 4-digit pin number. Parents are not permitted to share phone numbers for kiosk use.

If a parent/guardian drops a child off for the Before School Session without signing the child in, they will be contacted and instructed to return to the Centre to sign their child in. Until your child is signed in, they are not the responsibility of ACASCC. The authorised person who is collecting a child from After School Care must ensure that a staff member is aware that they are taking a child from the Centre.

We cannot accept verbal requests for collection of a child, this must be done in writing. If the person collecting the child isn't known to staff, they must present photo ID and be added to your list of contacts on your enrolment form on the "My Family Lounge" website. Please ensure you let your authorised person know this when you organize for them to collect your child.

Older siblings are permitted to collect their younger sibling if they are 16 years or older, if they are an 'authorised contact'. If not known to staff will need to show photo ID (student ID is acceptable). They will be required to follow the usual sign in/out process.

## **Pick-Up / Drop-Off continued..**

Where a child is attending extra-curricular activities such as dance, music or band lessons during their session at ACASCC, the relevant paperwork needs to be in place for your child to attend, if we do not have the relevant paperwork for your child/children they will not be able to attend. OOSH staff will sign them out and in to attend the activity.

No biological parent can be refused the right to collect his or her child unless a copy of a court Custody Order has been provided to OOSH. Court Orders should be uploaded to your family's My Family Lounge account.

## **Allergies/Anaphylaxis/Asthma/Medical Conditions**

Parents/guardians are required to inform the Centre of any allergies, asthma, or other medical/mental health conditions their child may have at the time of enrolment. Action Plans must be submitted with your child's online enrolment form.

Where a child has an allergy or asthma further information including risk management strategies may need to be provided and discussed with the Coordinator and an Authorisation to Administer Medication Record form signed. Asthma, allergy, and anaphylaxis actions plans will be displayed in the ACASCC kitchen as part of your child's health risk management plan. Actions plans must include a small photo of your child, so they are clearly identifiable in an emergency.

## **Medication**

Medication will only be administered to your child under written authorisation from the parent/guardian. A parent/guardian is required to complete and sign the appropriate form, which is available from the Coordinator or First Aid officer. All medication must be in the original packaging, clearly marked with child's name, as well as the dosage and time of administration. Non-prescription medication will not be administered without written instructions from the child's GP. Medication that has expired will require replacement. All medication must be handed to the staff and not left in the child's bag.

## Injuries & Illnesses

If your child has an injury or an illness while attending before school care, after school care or vacation care, it will be documented via our online compliance management system '1Place'. For head injuries and illnesses, the parent will be notified via phone call at the time of the incident and asked to sign the incident form when they pick up their child. Minor injuries do not require a parent signature but will be documented via '1Place'. Parents can request for the incident form to be emailed to them.

If your child is ill or showing symptoms of a cold, please do not bring them to the centre and follow the most recent NSW Health guidelines. If your child is sent home sick from the centre, our policy states that the child should not return to the centre for 24 hours.

## Behaviour

Disruptive and/or aggressive behaviour will be dealt with by the staff following the centre's behaviour management strategies. Disruptive behaviour will be documented and in correlation with our policies; appropriate corrective actions/steps will be taken including:

1. When a child's behaviour is deemed inappropriate or if a child's behaviour is intrusive to another person's enjoyment, the educators will then actively intervene and take steps to attempt to resolve the situation.
2. Inappropriate behaviour can include bullying, being uncooperative, not listening to reasonable requests from educators, or constantly disregarding basic rules. In these instances, appropriate steps will be taken by educators (explanation, redirection of activity, isolation & discussion with parents.)
3. If inappropriate behaviour continues over time, a meeting between educators, nominated supervisor, child and family will be arranged where a mutual strategy for improving behaviour will be implemented.
4. In extreme cases, to protect other children and educators, the service reserves the right to exclude the child from the service; this may be a temporary or permanent measure.
